

Hello There!

We are really excited that from **Sunday 5th September**, Sunday youth sessions will be retuning. For many of you this means moving to a different group. Younger youth (years 6-9) runs during the 11am service and older youth (years 10-13) at 7pm on Sunday evenings. Both groups could have up to 30 young people, so we expect it to be buzzing as we all get to know each other again.

What can you expect?

At St.Francis Youth we are passionate about creating spaces for young people to grow in their faith and **life with God**. We talk a lot about "Apprenticeship to Jesus" because we believe that being a Christian is more than simply knowing our Bible and turning up to church. Instead it's about learning to live our whole lives with and for Jesus.

We also want to join in with God's mission together, our **Apprenticeship TO Jesus is FOR Salisbury!** So plenty of our time together will be reaching out to those around us with acts of kindness, generosity, service, prayer and hope.

Following Jesus is not always easy and there will be times where we **question** whether there is even a God! That's ok! In fact, we encourage you to come with your best questions so we can explore the mystery and complexity of God together.

Community is also really important to us, we hope that quickly you will feel part of the **family** and we will create lots of opportunities for fun social times (often involving food!).

There is more information about what we do on our website but we also suggest that if you have Instagram or Facebook that you follow us there for regular updates! If you would like to know more please do get in touch.

Enclosed is our new **REGISTRATION FORM**, please bring this with you to your first session filled in by your responsible adult, this helps us to keep everyone safe and communicate with you. If you (the young person) would like to be included in our new group WhatsApp groups please ensure you have opted into this at the bottom of the registration form.

We hope to see you again very soon, have a great summer!

All the best
