Dear Friends,

The approaching seasons of Autumn and harvest have got me thinking about all the materials nature provides. A material I am particularly grateful for at the moment is cherry wood. My son and I went piano shopping a few weeks ago, to a piano shop between Warminster and Westbury. We must have tried twenty pianos, then we happened upon a light-brown *Ritter*, which produced a uniquely warm and sweet sonority. The chap in the shop said it was made of cherry wood. After a little negotiating, I put the order in, and the *Ritter* now brightens our home.

I write during the hot first week of September. Soon, Summer will move into Autumn; I have always loved Autumn, when nature's story turns a corner, as fruit ripens, and wonderful hues come over the countryside. And how fortunate we are to be in this corner of Wiltshire, where it is easy to witness this. We moved to Salisbury from Oxford in June. A few weeks later, an American family who we had met in Oxford came to visit. After picking them up from the station, we drove through the Woodford Valley. I mentioned that the musician Sting used to live there, and that the location had provided the inspiration for the song *Fields of Gold*. Sting wrote 'In England, our house is surrounded by barley fields...it's fascinating to watch the wind moving over the shimmering surface, like waves on an ocean of gold.'

You probably know the opening lines:

You'll remember me when the west wind moves

Upon the fields of barley

You'll forget the sun in his jealous sky

As we walk in fields of gold

Autumn and Harvest time is an opportunity to reflect on all that God provides through nature: the food, the scenery, the materials. Jesus himself enjoyed nature, often up early and walking and praying on the mountainside.

The transforming of materials into purposeful, worshipful items has a sound precedent in the Bible. After the Israelites came out of Egypt, God said to Moses 'See, I have chosen Bezalel...I have filled him with the Spirit of God, with wisdom, with understanding, with knowledge and with all kinds of skills— to make artistic designs for work in gold, silver and bronze, to cut and set stones, to work in wood, and to engage in all kinds of crafts' (Exodus 31:1-5). What a wonderful thought, the sourcing of the materials, the crafting, the chiselling, the shaping of a place for worship. The fruits of their labours: a golden lampstand, an altar, and the arc of the covenant (the same one that Indiana Jones went hunting for). It was a modest beginning as a place for worship, a simple space for a simple faith. But it was fashioned with care and had an important purpose, a place for the dwelling place of their God, Yahweh, in the midst of their community.

Enjoy the coming colours of Autumn,

With blessings,

Joe

Rev'd Joseph Stone

Assistant Curate at St Francis Church with Stratford sub Castle and Hope Church

WHAT IS IT LIKE TO BE PART OF HOPE CHURCH?

Like every Church I have belonged to, Hope is a family. Of course, every family is different, and in this case we are notable for our abundance of young children and babies! This is beautiful because it encourages us to embrace the spirit of all-age worship to make sure everyone is truly included. As a Hope member I have come to a new appreciation of action songs, and how to engage with the Bible through stories, play and crafts.

While a young Church congregation does bring the challenge of finding sufficient adults to oversee practical tasks, it also highlights the joy of inviting teens and older children to serve alongside us. Whether behind the scenes as part of the tech crew, leading prayers for the whole church, or helping run the Hope Kids Sunday school, our youth know they are an essential and highly valued part of the family. As a Church plant, Hope has a foot in two camps – we look back to St Francis for support and guidance, and we look outwards to the estates of Old Sarum and Longhedge, welcoming more new faces from our local area every month.

If you'd like to visit, our Church family is the sort that welcomes you with open arms and a cup of tea (and hopes you won't mind the toys and crumbs on the floor!)

what's coming up

SUNDAY 1ST OCTOBER, 10AM | ALL AGE WORSHIP

IN RETROSPECT - THE ST. FRANCIS COMMUNITY SHOW

Saturday 9th September was the day of the 73rd St. Francis Community Show. Although it turned out to be one of the hottest days of the year, this did not deter all those who had entered one or more of the 167 classes in the show from laying out their produce, their baked goods, floral displays and artwork for the judges to scrutinise.

The church and Beatrice Room looked splendid, deserving the judges' opinion that the overall standard was very high. Equally impressive was the array of cakes provided for tea!

An innovation this year was the three People's Choice prizes for the best flower arrangement, best artwork and best photograph, which were won by April Hall, Jean Filtness and Carmen Godwin respectively.

Well done to all who took part and a big thank you to all the committee members for their hard work in once again organising a very special event.

MISSION FOCUS

What a year for the Salisbury Foodbank! Thank you to anyone who has donated food or money or volunteered their time. The needs have never been greater. In January 2022 the Foodbank provided food for 442 people. In January 2023 the figure rose to 879. National predictions suggest that the Cost of Living Crisis will probably see this figure increase again in 2024. So far in 2023 37% of the people helped were children. We couldn't get on with the job without your generous support. A heart-felt thank you.

Now I'd like to tell you about 2 projects the Foodbank started running this year.

Firstly, the fresh food project. In partnership with Central Fruits, people are accessing a healthy, more balanced diet. The feedback has been very positive. One Foodbank user said, "Just to have some fresh fruit and fresh veg has really made my day and made the last two meals even better. "

Secondly, we have partnered with Citizens Advice to provide in-person support for those accessing the Foodbank Centres. This is called Foodbank Plus. It's aim is to signpost people to further services that will hopefully mean they don't need to use the Foodbank again. Currently nearly 60% only use the Foodbank once. Excitingly Foodbank Plus has seen 71 people access finance (£134,000) to which they are entitled.

So, when are you able please keep giving food, money or time to the Salisbury Foodbank. We are not out of the woods yet. Please do look at the website for more information <https://salisbury.foodbank.org.uk/> or if you have any questions, then please email me jacqui@salisbury.foodbank.org.uk.

SAFEGUARDING

IS
EVERYBODY'S
BUSINESS

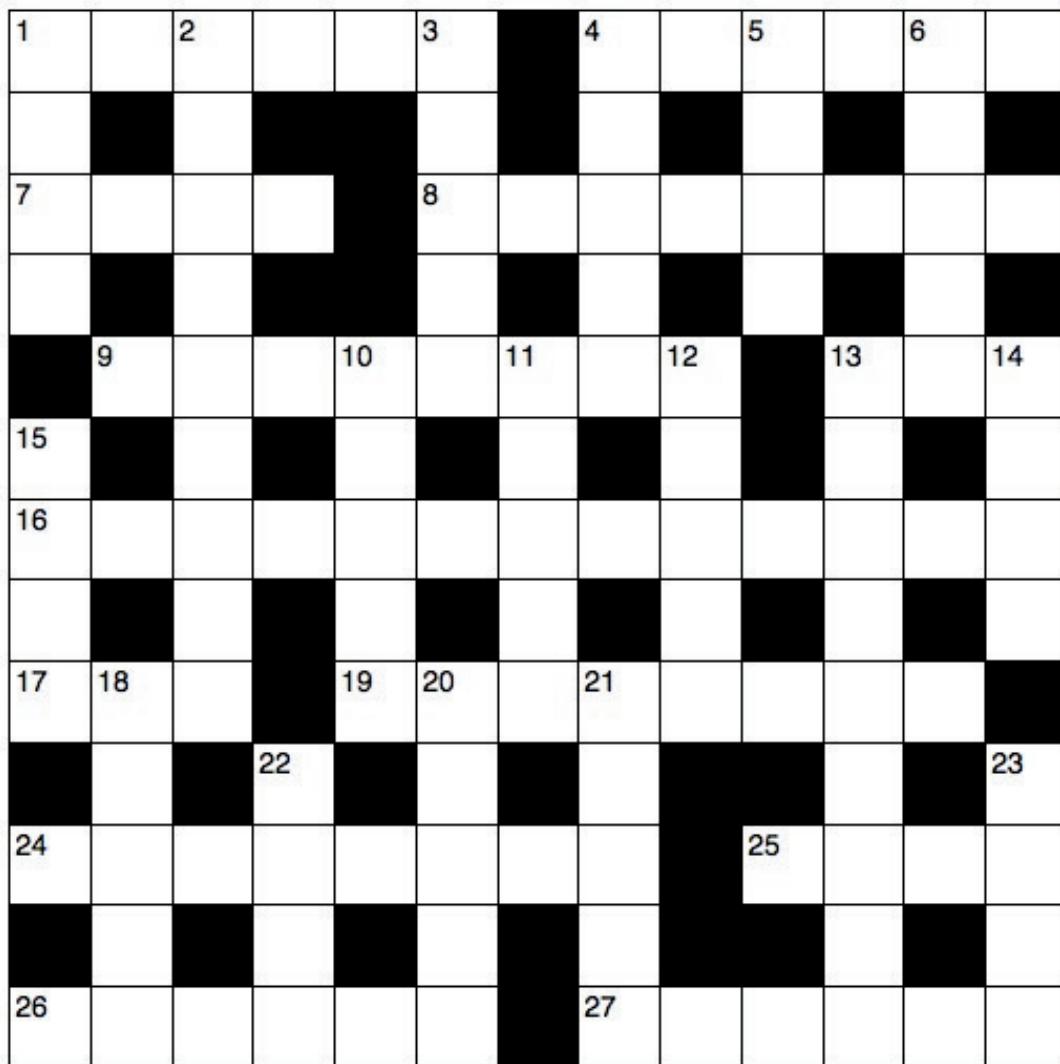

Sadly, the church has not had a good press recently as regards safeguarding, with several high-profile cases involving clergy and other church officials. This has, however, led to a huge amount of thought and action within the church to improve matters and prevent similar occurrences in the future.

Of major importance have been the documents "Promoting A Safer Church" (2017) and "The Parish Safeguarding Handbook" (2018) (both of which can be accessed at www.churchofengland.org/safeguarding). These set out in detail everything the church should be doing to keep children, young people and vulnerable adults safe from abuse.

Churches are legally obliged to follow the advice in these documents. For example, all churches must have a Parish Safeguarding Lead who is trained to handle reports of abuse, working in association with the Diocesan Safeguarding Officers. In addition, it is a requirement that everyone who works with children, young people and/or vulnerable adults must be trained to the level required by their role and have a Disclosure and Barring Service (DBS) check.

But safeguarding is not just for those with designated roles within the church – it is for everyone, which is why both St Francis and Hope Churches recently held "Safeguarding Sundays" to remind everyone of the need to be alert to any safeguarding issues. Everybody needs to be vigilant in looking out for signs of abuse and, when concerned, reporting their concerns to their church leader and Safeguarding Lead. At St Francis, the current Safeguarding Lead is Hannah Wilkins, while Jean Filtness is the Safeguarding Lead at Hope Church.

BOOK CORNER

At St Francis we are currently doing a series of talks based on journeys. Jean, our Vicar recommends this book by Norman Warren.

In easy-to-read terms, "Journey Into Life" leads the reader through the steps needed to understand the concepts of sin and separation from God, why Jesus died to save us and what we can do to become Christians and live a changed life.

Bestselling author Bear Grylls has survived a free-fall parachute accident that left him with a broken back, possibly unable to walk again; falling down a mountain in the Rockies, severing a finger in the Vietnam jungle, a broken shoulder in Antarctica. He passed the gruelling training to join the SAS, crossed the North Atlantic in an open inflatable boat, and held the highest ever open-air formal dinner party, in a balloon at 25,000 feet.

But the hardest thing he has ever had to face, he says, is the death of his father. It was then, age 25, that he found what he describes in an interview with the Telegraph as 'a really lovely quiet faith that has been a powerful thing in our lives'.

As he wrote in GQ magazine, 'Faith doesn't mean you have to be especially "religious". But, in a nutshell, my faith tells me that I am known, that I am secure and that I am loved - regardless of the storms I may find myself in from time to time, regardless of how often I fall and fail.'

For the first time, in this open, brave and honest book, Bear reveals the inspiration that helps him to stand strong and find peace each day. These daily readings - exploring themes of friendships, failure, courage, risk, and much more - show us all how to face each day with purpose and power.

'Be brave. Embrace faith wherever you may find it. You have nothing to lose and everything to gain.'
