- Make it plain who someone can speak to about a personal concern, and be proactive in addressing concerns and allegations following the Recognise, Respond, Record, Refer procedure overleaf
- Never smoke, use illicit drugs or alcohol when responsible for a child or adult at risk
- Photographs may only be taken using Church equipment, personal phones must not be used for photography. Adhere to agreed parental permissions regarding photographs

- Avoid showing favouritism to any one child, adult or group or doing anything to reinforce their infatuations towards you

SAFEGUARDING GUIDANCE

Essential information for working
with children & young people
Sep 2025

WHAT IS CHILD ABUSE?

A form of maltreatment of a child. A child may be abused or neglected by someone inflicting harm or failing to prevent harm. Children may be abused in the home or in an institutional or community setting by those known to them or more rarely, by others (e.g. via the internet). They may be abused by an adult or adults, or another child or children.

There are five common categories of abuse

- Physical abuse
- Sexual abuse
- Emotional abuse
 - Neglect
- Spiritual abuse

Children may be physically or emotionally abused when they see abuse between adults within the family.

It is important that workers understand these five categories. There will be regular opportunities for safeguarding training, however it is also important that you read through the

CHURCH SAFEGUARDING POLICY.

The policy is available on the website or ask your team leader for a paper copy.

The information in this leaflet is no way intended to replace the full safeguarding policy which must be referred to for more detail.

RESPONDING TO A DISCLOSURE – THE 4 RS

The 4 Rs are a useful way to remember how to respond to a disclosure:

Recognise → Respond → Record → Refer

RECOGNISE

- Accept and take seriously what is being said, without displaying shock or disbelief.
- Let the person tell their story and don't push for information or ask leading questions.
- Do not interrogate or decide if they are telling the truth.
- Be alert to signs and symptoms of abuse.

RESPOND

- Reassure the individual that they have taken the right step in sharing this information and they are not to blame.
- Be honest; never make promises to keep what you are being told confidential. If abuse is involved, you will need to tell someone.
- Tell them what you will do with the information they have shared, and that they will be kept informed.
- Do not introduce personal information from either your own experience or that of others.
- Do not investigate the matter any further for yourself, or approach the person about whom allegations may have been made.

RECORD

Write down, concisely, exactly what is seen, said or heard and make clear where you have added your views or interpretation. Remember that this is your information, and that you are responsible for passing it on to the person with safeguarding responsibility. Be mindful that your written comments may be needed in the event that further legal or disciplinary action is taken.

You may find it helpful to use the 4 Ws, as follows:

- WHO was involved? Name the key people.
- WHAT happened? Facts not opinions.
- WHEN did it happen? Date and time.
- WHO have you referred the issue on to?

When recording a second- or third-hand account, it might be helpful to clarify that "what happened" refers not to the alleged incident but to what occurred in your presence – in other words, the date, time and manner in which the issue was reported/disclosed to you. It should not be an attempt to describe the event/situation as if you had witnessed it yourself.

Only pass the information on verbally if it is an emergency situation. Even so, you must also find time as soon as possible to write it down and send it on to the relevant person.

REFER

- Pass the information to the Parish Safeguarding Officer, Vicar or the Diocesan Safeguarding Team within 24 hours.
- In case of an emergency call the Police or dial 999.
